

RESEARCH AT RYE CASTLE MUSEUM

If you would like us to search our archives, documents and index books for family and local history information e.g. on a particular Rye family or house, we would be happy to do so. Please complete this form, together with known information and an indication of the specific search/searches you require.

.....

Initial one hour general search in our records and archives:

£20.00

This fee covers our time, photocopies, postage and a full report on research undertaken in our archives and other resources, together with an estimate for further research.

Please make cheques payable to Rye Museum Association and write 'for Family/Local Research' on the back of your cheque.

All research is carried out in good faith, and whilst we will make every effort to provide you with accurate information, we cannot be held responsible for any errors or omissions. Sometimes we may not find any information for you, in which case, since the search has been carried out, the initial fee will not be refunded.
